AREA GUIDE

LOCAL AREA INTRODUCTION

The Seychelles offers one of the world's finest sailing grounds and is an impressive destination, with picture-perfect tropical islands, sandy beaches and imposing granite rocks polished by the relentless waves of the Indian Ocean.

Eden Island is a vibrant area located on the island of Mahé. It is the only island in the Seychelles where visitors can buy land and comes equipped with modern waterside villas for the choosing. Luxury is the essence of Eden Island.

A Seychelles yacht charter offers giant palm trees, the famous coco de mer coconuts and turquoise inlets fringed with lush green Takamaka plants shading fine, white sand beaches. These islands truly deserve the label, "paradise".

To sail in the Seychelles you will need a sailing license that is recognized by the local port authorities, or you can hire a skipper.

TOP THINGS TO DO IN THE SEYCHELLES:

- 1. See the famous Coco de Mer:** Head for Vallée de Mai in Baie Ste Anne, a valley protected by UNESCO with an enchanting path that winds through the enormous palm leaves of the huge coco de mer. Wherever you sail, you can see some of the world's most enchanting flora and fauna.
- 2. Sail to La Digue:** La Digue is quite possibly the most beautiful island in the Seychelles. Anchor in Petite or Grande Anse, on La Digue's southeast coast and go ashore to tour this car-free island where the locals use ox and cart for transportation.
- 3. See the nature on Cousin Island:** This tiny island of just a half a mile in diameter is home to a spectacular nature reserve and bird sanctuary. It's home to rare species and is an important breeding site for Hawksbill turtles. (Attention Mosquitoes)
- 4. Visit the vanilla plantation:** On La Digue Island you can visit the Union Estate and natural park with coconut trees, giant turtles and a vanilla plantation. Enjoy the sweet scent that is carried by the breeze around the island. Buy fresh vanilla and other local spices to take home as gifts.
- 5. Soak up scenic St. Pierre:** Wonder at the mass of smooth rocks crowned with a clump of tall palms swaying gently in the wind while sailing in the Seychelles Islands. This is typical and superb Seychelles scenery, photographed on countless occasions and printed a million times in tourism magazines. It's also an excellent spot for snorkeling when the waters are calm.
