AREA GUIDE

LOCAL AREA INTRODUCTION

St. Martin is second only to the British Virgin Islands as our most popular sailing area in the Caribbean. Sailing St. Martin allows you to explore some of the beautiful islands in the eastern Caribbean, including mainland St. Martin, Anguilla and St. Barts. Divers and snorkelers can enjoy some of the most spectacular unspoiled reefs in the world.

St. Martin is located about 150 miles north of Guadeloupe and is part of the Leeward Islands in the Caribbean Sea. It is the smallest landmass in the world shared by two independent countries, in this case, France and the Netherlands.

Because of the country's French and Dutch sides, you'll enjoy an interesting dual culture on your St. Martin sailing charter. It's a destination where sophistication is blended with a relaxed, easy-going style. This ethos is woven into the fabric of daily life on the island.

Caribbean and European food, culture and cuisine come together on St. Martin like no other place in the island chain. The island gives you a taste of the delightful charms of this region with world-class restaurants, casual beach bars, legendary and (sometimes infamous) beaches, live music and fascinating colonial history.

St. Martin sailing charters need to include a visit to the nearby island of Anguilla, where uncrowded beaches are dotted with quaint beach bars and cafes. Road Bay is the main port of Anguilla, and it's a charming village set on a stunning beach.

Sailing to the island of St. Barts is a St. Martin yacht charter favorite. Shopping and dining are at their best in the lovely European-influenced port town of Gustavia. The beaches are equally appealing, including the little known Shell Beach and the scenic Saline Beach.

DREAM YACHT CHARTER

Our base is located at Marina de L'Anse Marcel, St. Martin.

TOP THINGS TO DO IN ST. BARTS:

1. Encounter The Perfect Beach

Just a short walk from Gustavia is the charming Shell Beach, a hidden cliff-lined shore that's popular with locals and in-the-know visitors alike. Enjoy a sunset cocktail at the adjacent Shellona restaurant, along with a bit of sunbathing and shell collecting.

Gouverneur Beach is a must-see while you visit St. Barts. Pick up a picnic lunch of French baguettes, cheese and wine, and enjoy this secluded beach that's graced with a dramatic rugged landscape and electric cyan-blue water.

2. Graze Your Way Through Gustavia

Foodies will be spoiled for choice in Gustavia, where restaurants, cafes and markets line the cobblestone streets. Mornings should start with fresh coffee and bread at one of the many boulangeries. For a ready-made picnic on the beach, stop at Maya's To Go, a local neighborhood favorite with its mouthwatering takeaway sandwiches, salads and desserts.

Excellent St. Barts restaurants are too many to list, but one much-loved local favorite is Bonito, offering French and South American cuisine with stunning views of the harbor. And no trip to St. Barts is complete without indulging in a burger at Le Select Bar, rumored to be the inspiration for Jimmy Buffet's hit song Cheeseburger in Paradise.

3. Crash the Party Scene

For the hardcore party scene, head to Nikki Beach. This beach club is world-renowned for the boisterous Sunday crowd and lively theme parties. For a more refined party experience, don't miss Le Ti St. Barth, where a luxurious dinner can unwind into shots, DJs and all-night dancing.

4. Find Chic Shopping:

Duty-free shopping is one of the best things to do in St. Barts, but be prepared for the designer price tags. High-end designer shops line the main harbor, including the likes of Hermès, Cartier and Louis Vuitton. There are 200-plus boutiques in Gustavia, where eager shoppers browse for beachwear, accessories, jewelry, and the latest designer clothing. Watch for the "pharmacie" shops to pick up amazing French skin and sun care products.

5. Seek Out an Island Adventure

Adventurous water lovers flock to Grand Cul-de-Sac Beach where the steady winds and wide-open waters attract windsurfers and kite boarders. The long stretch of beach also harbors a shallow protected reef that's ideal for snorkeling.

Another favorite adventure when you visit St. Barts is the snorkeling and hiking at Colombier Beach. There are no roads to access this secluded beach, so plan to make the 30-minute hike or visit by boat. Either way, it's well worth the trip, for breathtaking views and spectacular snorkeling opportunities.
