SILVER

Catering for the budget conscious

The provisioning package for the charterer wanting to keep costs down. You get the same quality fresh fruit and veggies with a simpler, more 'home cooked' menu plan.

Silver packages include fruit, snacks, fruit juice, tea and coffee, morning and afternoon teas, cakes, biscuits and pre-dinner nibbles.

All you need to add are your drinks from our soft drink and alcohol range.

GOLD

Everything you need, nothing forgotten

Our most popular package, it swaps the luxuries that the Platinum menu enjoys, for everyday niceties (Rump Steak instead of Eye Fillet) and still gives you three splendid meals a day.

Gold packages include fruit, snacks, fruit juice, tea and coffee, morning and afternoon teas, cakes, biscuits and pre-dinner nibbles and chocolates. All you need to add are your drinks from our soft drink and alcohol range.

PLATINUM

For those who appreciate the finer things in life

Cooked breakfasts on alternate days and lunches and dinners include prime cuts of meat, fresh seafood, gourmet cheese and patés.

Platinum packages include fruit, snacks, fruit juice, tea and coffee, morning and afternoon teas, cakes, biscuits and pre-dinner nibbles and chocolates.

All you need to add are your drinks from our soft drink and alcohol range.

Like the idea of a packaged provisioning solution, but want control over your meal plan?

Choose our Easy Plan Meal option. You get the convenience of a packaged approach, but the control to tailor your meal plan to fit your needs exactly. Simply choose the meals that appeal to you, put in the number of meals required and add it to your cart with your drinks order.

Example: Two people for 5 days would be 10 breakfasts. So you might order 6 x healthy breakfasts and 4 x indulgent breakfasts.
